### **Elite Aviation Products Announces Partnership with DMG Mori Ellison Technologies**

**Costa Mesa, California June 18, 2014** – Elite Aviation Products (EAP), a rapidly growing and cutting-edge aerospace manufacturing firm based in Irvine, California is proud to announce their official partnership with DMG MORI Ellison Technologies.

DMG MORI Ellison Technologies is a top-tier provider of advanced machining solutions with over 60 years of industry experience and annual sales of over \$800 million. This mutually beneficial relationship will allow Elite Aviation Products to meet the rapidly growing demands of the aerospace industry. In a letter to EAP regarding this newfound partnership, DMG MORI Ellison Technologies stated:

“It is inspiring to be working with such a progressive and ambitious company entering the marketplace; with stringent goals of education and staff development, customer satisfaction, high quality, and efficiently produced parts, supported by a modern and highly dynamic management team... We are enthusiastically looking forward to partnering with Elite, as we know that scrutiny and diligence is put into every aspect of the business, constantly looking to improve and setting new goals; key qualities that resonate with DMG MORI Ellison Technologies and make this synergistic alliance that much more prosperous.”

By embracing the latest cutting edge technologies and engineering solutions, through their partnership with of DMG MORI Ellison Technologies, Elite Aviation Products continues to redefine OEMs’ expectations of aerospace part suppliers. EAP provides not only exceptional customer service, lead times, and quality, but also acts as an all-encompassing solutions provider and strategic partner. With Boeing forecasting a long-term demand for 35,280 new aircraft valued at over \$4.8 trillion, Elite Aviation Products’ fresh take on manufacturing is paramount to this booming sector.

**About Elite Aviation Products** EAP is an advanced design, engineering, and manufacturing company within the aerospace industry. Elite represents a consortium of talented professionals who are passionately committed to providing the highest level of customer service and quality, while delivering cost-competitive supply availability solutions. EAP was formed by senior aviation officials who, tired of their expectations not being met, set out on a campaign for change; challenging conventionality in the marketplace and driving customer-centric part supply strategies. Elite is a proud contributor to the reshoring initiatives, focused on bringing manufacturing back to the United States. EAP’s focus on its core values and commitment to excellence has made the company an attractive, competitive standout to consumers and investors alike. **For more information, please call us at (949)783-7067 or visit us online at [www.EliteAviationProducts.com](http://www.EliteAviationProducts.com)**
