### **Elite Aviation Products Makes its International Debut at the Aircraft Interiors Expo in Hamburg, Germany**

**Irvine, California September 29, 2015** – Where others have fallen short, Elite is positioned for success, seeking to be the new brand of global supplier by expanding their capacity and acquiring the most advanced machine tool technology on the market. Elite Aviation Products will be making its *first ever* appearance at the 17<sup>th</sup> annual Aircraft Interiors Expo in Hamburg, Germany from April 5<sup>th</sup>-7<sup>th</sup>, 2016. This event will allow EAP the opportunity to expand its brand presence exponentially, and continue to create viable relationships with customers. This important milestone will help EAP build its network of potential business partners, display its capabilities to the world at large, all while keeping Elite's executive management team up to speed on the most current research and trends in the Commercial Aerospace sector.

The Aircraft Interiors Expo is the world's largest event dedicated to showcasing the latest innovations, technologies, and products for the cabin interiors, inflight entertainment and passenger comfort industries. Elite's CEO, Dustin Tillman, believes that having a booth at an internationally renowned trade show "allows us to expand awareness, and educate the market on our capabilities as a U.S. based manufacturer as well as highlight our logistics capabilities in a region experiencing unprecedented growth and desirous of support." The exhibition attracts thousands of buyers and decision makers from major regional and charter airlines, OEMs, and offers the opportunity to meet face-to-face with suppliers and manufacturers covering the full spectrum of the industry.

With over 500 leading aircraft interior industry suppliers and approximately 14,000 attendees, Aircraft Interiors Expo is the top destination for the aerospace industry. Providing unrivaled opportunities to network, Elite's debut at the expo will launch new business opportunities and lend the ability to engage with customers face-to-face.

**About Elite Aviation Products** EAP is an advanced design, engineering, and manufacturing company within the aerospace industry. Elite represents a consortium of talented professionals who are passionately committed to providing the highest level of customer service and quality, while delivering cost-competitive supply availability solutions. EAP was formed by senior aviation officials who, tired of their expectations not being met, set out on a campaign for change; challenging conventionality in the marketplace and driving customer-centric part supply strategies. Elite is a proud contributor to the reshoring initiatives, focused on bringing manufacturing back to the United States. EAP's focus on its core values and commitment to excellence has made the company an attractive, competitive standout to consumers and investors alike. **For more information, please call us at (949)783-7067 or visit us online at [www.EliteAviationProducts.com](http://www.EliteAviationProducts.com)**
